- (c) Review Process. Each agency subject to this Article shall conduct a review of the agency's existing rules at least once every 10 years in accordance with the following process:
  - (1) Step 1: The agency shall conduct an analysis of each existing rule and make an initial determination as to whether the rule is (i) necessary with substantive public interest, (ii) necessary without substantive public interest, or (iii) unnecessary. The agency shall then post the results of the initial determination on its Web site and invite the public to comment on the rules and the agency's initial determination. The agency shall also submit the results of the initial determination to the Office of Administrative Hearings for posting on its Web site. The agency shall accept public comment for no less than 60 days following the posting. The agency shall review the public

A determination that all rules that the agency determined to be necessary with substantive public interest or that the Commission designated as necessary with public interest as provided in this subdivision shall be readopted as though the rules were new rules in accordance with this Article.
- (3) Step 3: The final determination report shall not become effective until the agency has consulted with the Committee. The determinations contained in the report pursuant to sub-subdivisions e., f., and g. of subdivision (2) of this subsection shall become effective on the date the report is reviewed by the Committee. If the Committee does not hold a meeting to hear the consultation required by this subdivision within 60 days of receipt of the final determination report, the consultation requirement is deemed satisfied, and the determinations contained in the report become effective on the 61st day following the date the Committee received the report. If the Committee disagrees with a determination regarding a specific rule contained in the report, the Committee may recommend that the General Assembly direct the agency to conduct a review of the specific rule in accordance with this section in the next year following the consultation.
- (d) Timetable. The Commission shall establish a schedule for the review of existing rules in accordance with this section on a decennial basis by assigning each Title of the Administrative Code a date by which the review required by this section must be completed. In establishing the schedule, the Commission shall consider the scope and complexity of rules subject to this section and the resources required to conduct the review required by this section. The Commission shall have broad authority to modify the schedule and extend the time for

review in appropriate circumstances. Except as provided in subsection (d1) of this section, if the agency fails to conduct the review by the date set by the Commission, the rules contained in that Title which have not been reviewed will expire. The Commission may exempt rules that have been adopted or amended within the previous 10 years from the review required by this section. However, any rule exempted on this basis must be reviewed in accordance with this section no more than 10 years following the last time the rule was amended.

- (d1) Rules to Conform to or Implement Federal Law. Rules adopted to conform to or implement federal law shall not expire as provided by this section. The Commission shall report annually to the Committee on any rules that do not expire pursuant to this subsection.
- (e) Other Reviews. Notwithstanding any provision of this section, an agency may subject a rule that it determines to be unnecessary to review under this section at any time by notifying the Commission that it wishes to be placed on the schedule for the current year. The Commission may also subject a rule to review under this section at any time by notifying the agency that the rule has been placed on the schedule for the current year."

**SECTION 3.(c)** G.S. 150B-19.2 is repealed.

**SECTION 3.(d)** If G.S. 150B-21.3A, as enacted by subsection (b) of this section, becomes law, the Rules Review Commission shall subject rules adopted by the Environmental Management Commission related to surface water quality and wetlands to review in the first year that the Rules Review Commission establishes for the review of existing rules in accordance with G.S. 150B-21.3A.

**SECTION 4.** The Joint Legislative Administrative Procedure Oversight Committee shall undertake a study of the exemptions from rule making contained in G.S. 150B-1(d) and elsewhere in the General Statutes. For each exemption, the Committee shall evaluate the continued need for the exemption and the potential consequences of repeal of the exemption.
