Dear Ms. Radcliff:

This letter is giving consent to the nomination of Deanna Maiolo for the position of Secretary/Treasurer of the Administrative Codes and Registers Section of the National Association of Secretaries of State.

Deanna has been a member of ACR for at least 5 years and has gained invaluable insight that she was able to use when enhancing our online Administrative Rules processing system. I understand that consent indicates the plan for her to attend ACR conferences in person during the term of office.

Sincerely,

Alberta Bennett
