

UELMA Compliance and Data Seal

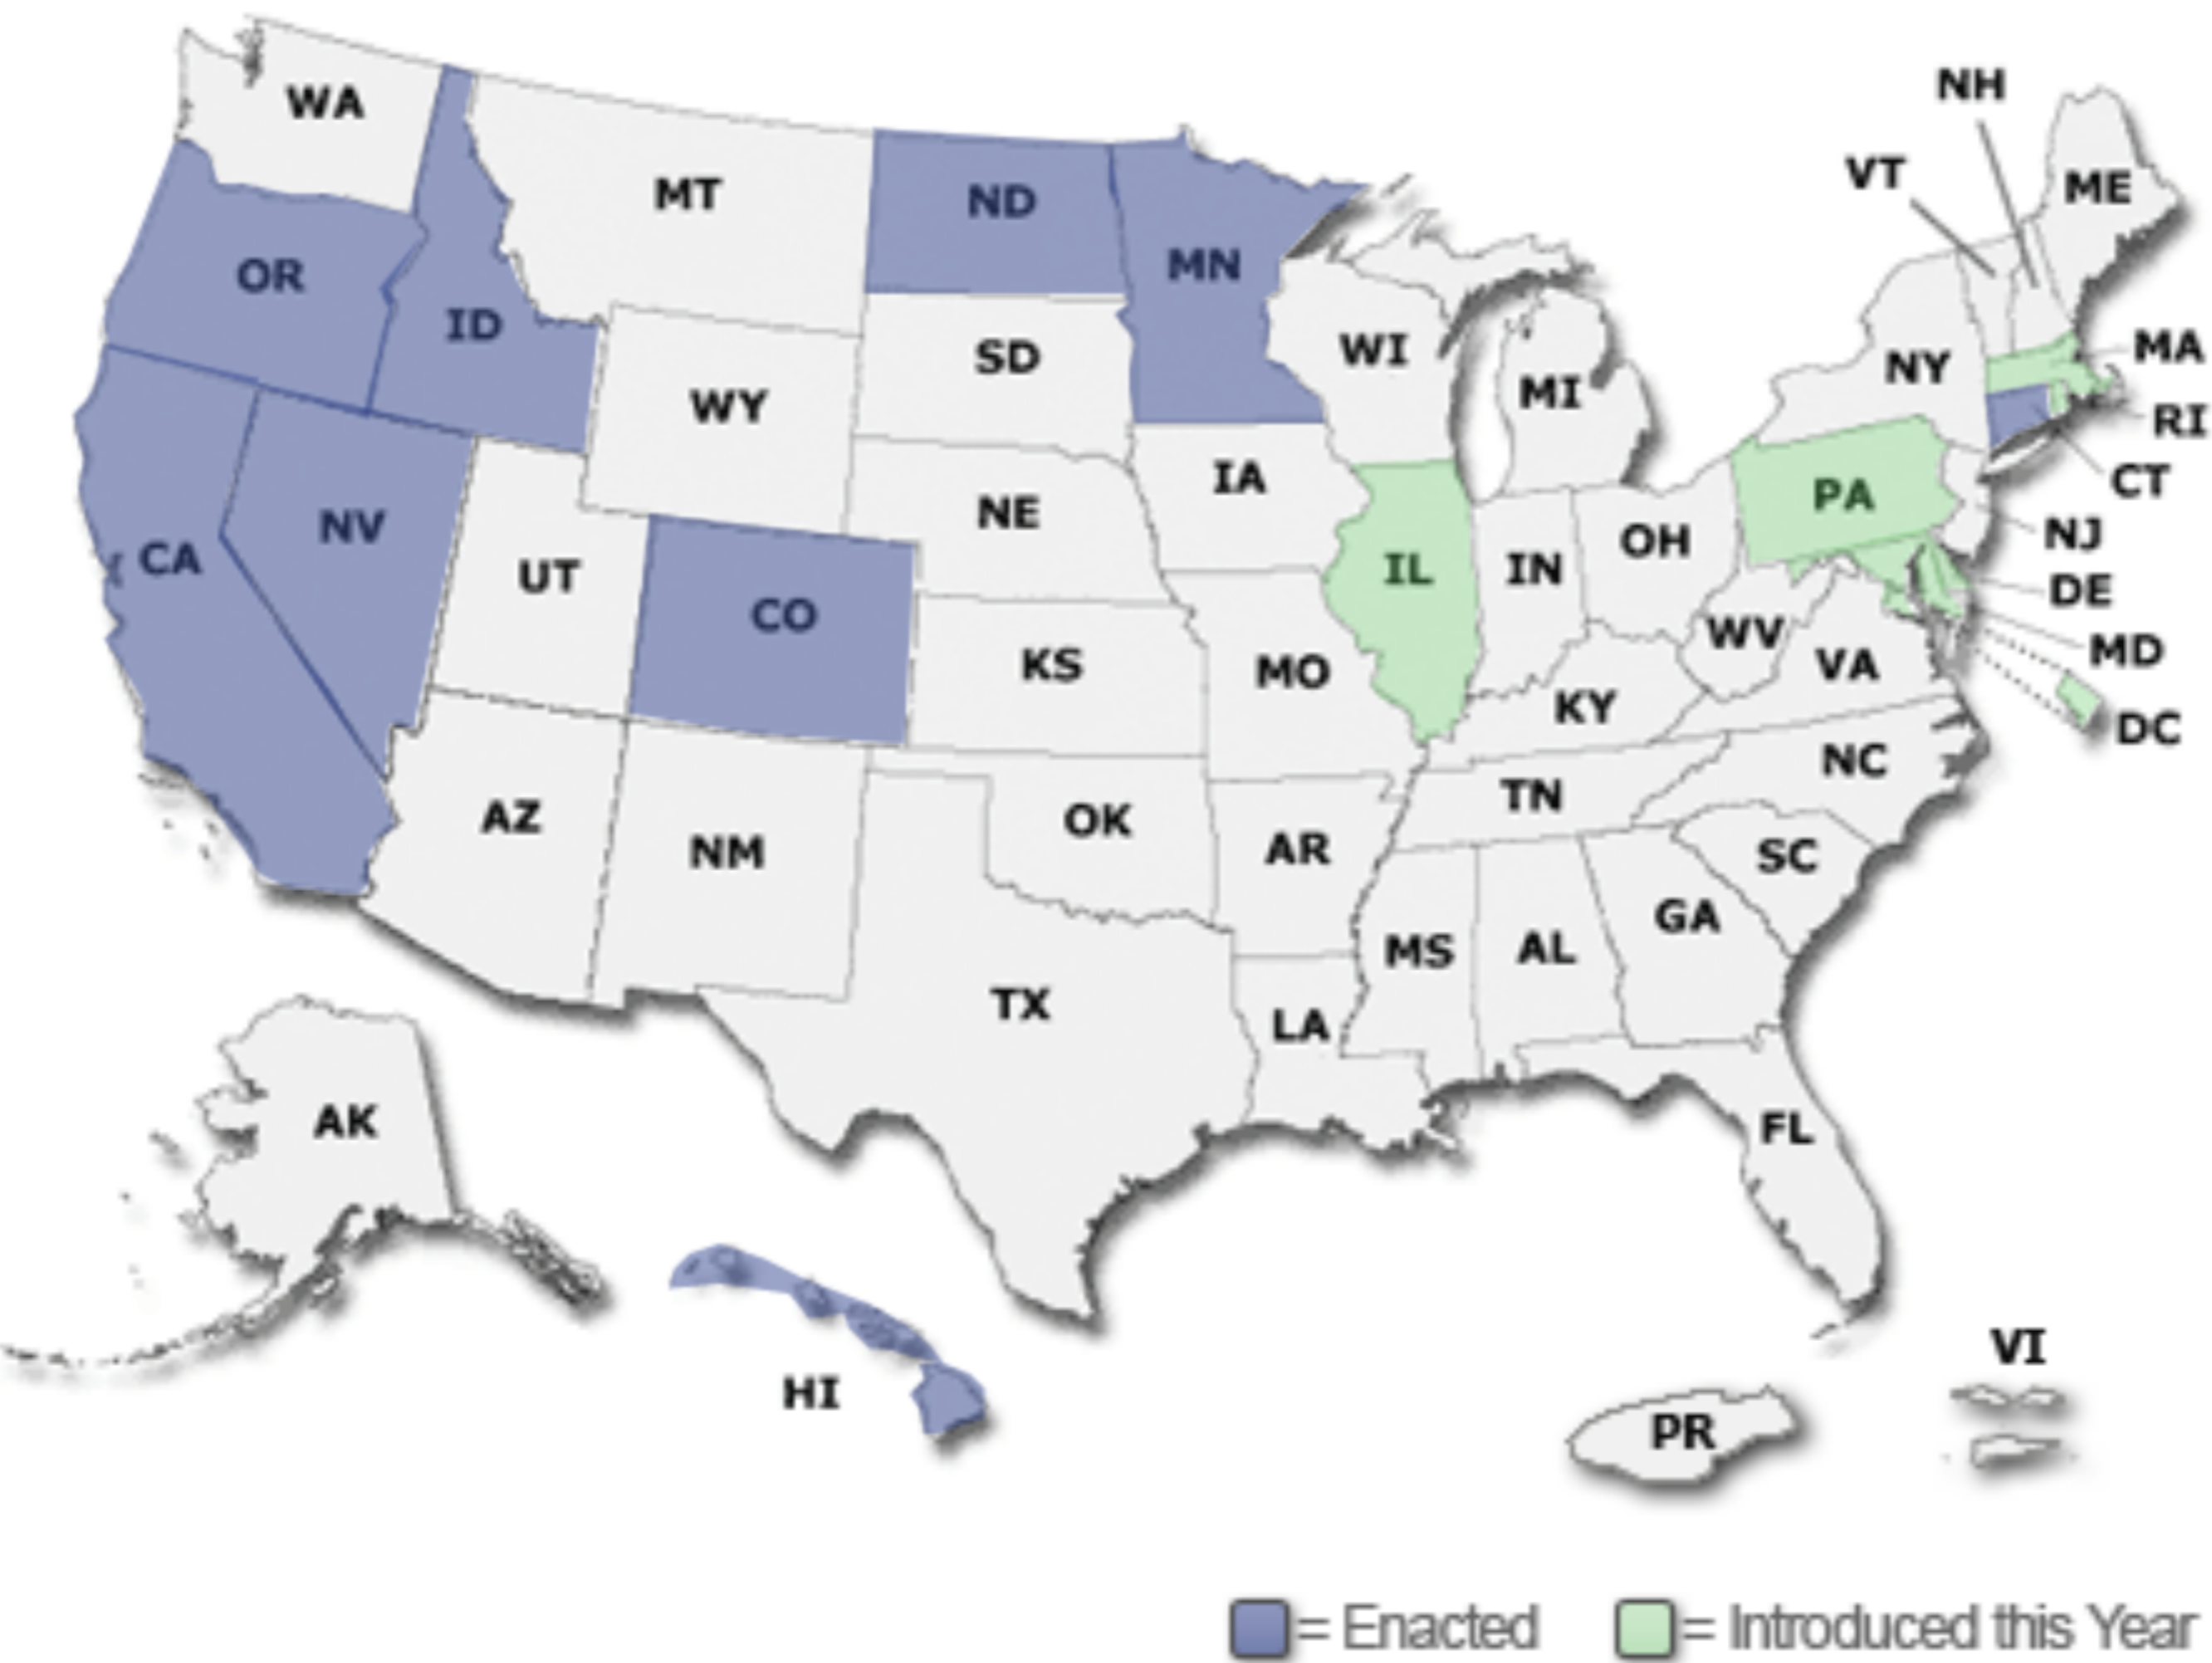

Waldo Jaquith
U.S. Open Data Institute

UELMA Overview

- Provides for the permanent, unaltered availability of primary legal materials.
- Defines a framework of practices to ensure this.
- Applies to electronic legal materials designated “official,” including the constitution, state laws, codified laws, and regulations with the effect of law.

Affected documents must be:

1. Capable of being authenticated.
2. Preserved.
3. Permanently accessible.

SECTION 5. AUTHENTICATION OF OFFICIAL ELECTRONIC RECORD. An

official publisher of legal material in an electronic record that is designated as official under Section 4 shall authenticate the record. To authenticate an electronic record, the publisher shall provide a method for a user to determine that the record received by the user from the publisher is unaltered from the official record published by the publisher.

Document Authentication

Authenticated PDF copies of legislative documents are considered official electronic records under the [Uniform Electronic Legal Material Act](#).

All material viewed on the Office of the Revisor, State of Minnesota website is sent via secure servers ([SSL](#)) with encryption. If you need an official record or require additional verification of authenticity, follow the steps below.

- Step 1. Find the PDF for the law, statute, or administrative rule you wish to authenticate
- Step 2. Download that PDF into the folder on your own computer in which you store files
- Step 3. Click on the "Browse/Choose File" button below, find the downloaded file, and click on it
- Step 4. Click on the "Authenticate" button below
